

Field King

Sprayers

A feature packed and popular professional 15L backpack sprayer which is fitted with Viton® seals as standard. Four nozzles are included as standard including a brass adjustable nozzle, two flat-fan nozzles and a foaming nozzle.

The Field King sprayer comes complete with a Comfort Harness System that rivals anything on the market for user comfort and the exclusive 'No Leak' system ensures no spillage of herbicides or pesticides.

- / Fold away pump handle for easy storage
- / Can be configured for left or right hand pump operation
- / We stock seal kits, replacement harnesses & wand kits

- / Internal no-leak 150psi pump
- / Viton® seals as standard making it suitable for a wide range of chemicals including Pelargonic acid herbicides
- / Comfort harness complete with lumbar support
- / Includes a 25psi regulator ideal for spraying herbicides
- / Durable 53cm poly-wand with stainless steel sheath ensures the wand will not distort if left in hot sheds over summer
- / 15L capacity, 5 year warranty
